## Sinn Fein Chiefs To Forward Reply To London To-night

Expected British Government Will Know Contents of Note Without Delay; Courier Will Carry Note From London to Lloyd George in Scotland.

Dublin, Aug. 30.—The Daily Eireann's reply to the latest letter from Premier Lloyd George regarding the Irish peace proposals is expected to be sent to London this evening. This was learned unofficially to-day after Eamonn de Valera had held a conference with the Daily "Cabinet."

London, Aug. 30.—A special courier is being held in readiness at Premier Lloyd George's official residence to take to the Premier, who is now in Scotland, the Sinn Fein reply to his last letter to de Valera.

### Belfast Fighting.

Belfast, Aug. 30.—Street fighting, which has been in progress since yesterday, became particularly violent after one o'clock to-day, the dinner hour of ninety factories, in the side streets radiating from Dubcain Gardens and North Queen's Street.

One laborer was shot and killed and several persons were wounded, including an army sergeant. Armored cars were sent into the streets. Armored cars were sent into the streets. Armored cars were sent into the streets. Armored cars were sent into the streets. Armored cars were sent into the streets.

London, Aug. 30.—A Reuter cable from Melbourne quotes The Age, in commenting on the Irish situation, as saying that Australians yearn for a settlement of the Irish question. The Age says: "We are happy and free under Dominion, home rule can neither understand nor support the people who will complain and quarrel when their precious boons are placed at their command."

## LOWER FREIGHT RATES DISCUSSED

Considered at Conference in Canadian Capital

Ottawa, Aug. 30.—(Canadian Press)—Reductions in freight rates are under consideration at a private conference which opened here this morning between the Board of Railway Commissioners and representatives of the Canadian Pacific, the Grand Trunk and the Canadian National Railways. Hon. F. B. Carver, chairman of the Board of Railway Commissioners, has expressed the view that something must be done to meet the present situation and is hopeful that some immediate action will be taken as a result of to-day's conference.

## GREEKS DENY REVERSE SUFFERED

Athens, Aug. 30.—Reports that Greek troops engaged in the offensive against the Turkish Nationalists in Asia Minor have suffered a reverse are denied in an official statement issued here.

## BANK VICTIMIZED; AMOUNT \$3,500

Toronto, Aug. 30.—A. D. Cameron, Bank of Commerce manager, says the amount stolen from his bank on Saturday by means of forged cheques was \$3,500, not \$35,000. Two cheques were presented to the paying teller, one for \$2,500 and the other for \$900 and both were marked "Accepted" and marked with the initials of the ledgerkeeper. Both the stamps and the initials were forged.

## World League Assembly Is to Meet Next Week

Geneva, Aug. 20.—Preparations for the work to be done by the Assembly of the League of Nations was begun by the Council of the League at the regular session held this morning. Dr. K. Wellington Koo of China presided, it having been decided yesterday that Dr. Koo would act as president at the regular meetings of the Council and that Viscount Ishii would be in the chair when the Silesian problem is considered in extraordinary session.

## ATLANTIC CITY CAFES RAIDED; LIQUOR SEIZED

Atlantic City, N. Y., Aug. 30.—State prohibition agents, aided by private detectives, early to-day raided many boardwalk cafes in what was described as the greatest effort ever put forth to make Atlantic City "bone dry." The warrants served totaled 126.

## Attorney-General Takes Hand in Prosecution

Magistrate Classes Charges Against Special Constables of Dry Squad As Factional Fight Between Pro and Anti-Police Commissioners.

One of the most startling incidents that has yet interjected itself into a police court trial of this city took place this morning when Magistrate Jay, about to hear evidence in the charge against two special constables of the Victoria force, read a letter from Hon. J. W. de B. Farris, the Attorney-General, which requested him to refuse a trial to the matter at bar.

The letter from the Attorney-General stated that in view of the fact the accused were special constables of this city and acting in

the performance of their duty, it was not in the interest of the public that such charges should be heard in the police court.

The accused were Special Constables Harry D. Craig and Charles E. Brown, both working on the detection of contraventions of the Government Liquor Act.

The information was laid by Albert Tisdale, who was instrumental in sending the two police commissioners, Dr. Ernest Hall and Joseph North, for trial to the Assize, and charged the accused under section 38 of the Government Liquor Act with unlawfully purchasing liquor from John Ferguson.

John Ferguson is now under sentence of six months hard labor for his share in the alleged transaction, an appeal pending. Frank Higgins, K. C., conducted the prosecution in the present case.

Mr. Higgins' Comment. When the charge against Harry D. Craig was called Magistrate Jay announced to the court that he had received a letter from the Attorney-General on this matter, which he read.

"I don't see what the Attorney-General has to do with it," stated Mr. Higgins. "These men, we submit, are not special constables. They are not in the service of the Government. They are in the service of the liquor traffic."

## ALBERTA LIQUOR JUDGMENT SOON

Ottawa, Aug. 30.—(Canadian Press)—Judgment in the case of Gold Seal Company vs. Dominion Express Company, which was argued before the Supreme Court last session in relation to the validity of the Alberta prohibition law, is likely to be rendered at or shortly after the opening of the court on October 11.

## PATHFINDERS NOW AT PENTICTON

In Similkameen After Traversing Boundary District

Alderman Todd wires that the Canadian Highway Pathfinders party reached Penticton late Monday evening, 122 miles from Grand Forks. Passing through fine scenery, pretty views of Okanagan Lake and Valley were observed, probably the most magnificent panoramic scenery of the entire trip. Interesting features of Monday's ride were excellent grain crops on mountain sides and tops in the vicinity of Rock Creek, and also in the lower Okanagan Valley. The developments underway in connection with the large Government irrigation project were noticed. Excepting a few spots the roads were very good all Monday.

## NEARLY BILLION DOLLARS SPENT FOR AMUSEMENT

Washington, Aug. 30.—Amusement-loving America spent nearly \$1,000,000,000 during the fiscal year 1920-1921 for theatrical entertainment, according to statistics made public to-day by Internal Revenue Commissioner. The ten per cent tax collection on work at \$20 a month and board on amusement during the fiscal year just closed amounted to \$89,725,895, Blair announced.

Madrid, Aug. 30.—Spanish aviators operating with the forces opposing the rebellious Moors are conducting extensive explorations of the plains and mountains in the troubled district in Northeastern Morocco, says an official statement issued here.

## GOOD ROADS LEAGUE IN SESSION

Many Important Resolutions Are Set Down

Port Alberni, Aug. 30.—With ninety delegates attending the fifth annual Good Roads League convention was opened here in G. W. V. A. Hall to-day by President Gale. The only important business transacted during the morning was the appointment of committees. The Resolutions Committee, headed by Mayor Johnston, New Westminster, will bring in resolutions asking for the construction of various roads before the league this afternoon.

## IS ADVISED PLAN WAS MADE TO BLOW UP VISITORS' TRAIN

Port Alberni, B.C., Aug. 30.—A plot by alien unemployed to wreck the train carrying the Legislative party which last week inspected the Pacific Great Eastern Railway, was revealed here to-day by Major Burde, M.P., who was warned that the plan was to blow up the train.

## FARMERS PLAN TO PUT CITY IDLE TO WORK

Methods of reducing wages, solving the unemployed problem and putting the idle to work were taken up at to-day's meeting of the Farmers' Institutes, attended by members from all parts of Vancouver Island and representatives of public bodies of Victoria, summoned specially to devise plans to place before the Government, because of the failure of labor and employers to decide on anything practical at their meetings.

## Searchers Believe Canadian Steamship Importer Foundered

Opinion Reported By Wireless To-day By Master of S.S. Canadian Winner; Heavy Weather Has Prevailed In That Part of Pacific.

Vancouver, Aug. 30.—Practically all hope for the Government steamship Canadian Importer has been given up. Captain Wingate, of the Canadian Winner, who has been searching since Saturday morning for this message to-day: "General opinion importer foundered."

A second discouraging aspect of the tragic affair is that rough weather has swept that part of the Pacific during the last three days. If Captain Bissett and the thirty-two members of his crew actually succeeded in getting clear in the ship's lifeboats, the heavy seas over the week-end would have given them a strenuous time.

## ARRANGEMENTS FOR PEACE ARCH TRIP

Low Charge Is Set for Transportation to Ceremony at Blaine

The special fares granted by the Canadian Pacific coastwise service for the Peace Celebration excursion to Blaine on September 6, were announced this morning by the Chamber of Commerce, the extremely low charges of \$2.75 plus five cents was tax being set for adults, and a rate of \$1.40 plus tax for children from 5 to 13 years of age.

The arrangements provide for the departure of the Princess Patricia from Victoria at 9.30 a. m. standard time (10.30 p. m. city time), and arrival at Blaine at 1 o'clock, this allowing a clear hour for the excursionists to make the mile distance between the dock and the arch. A buffet luncheon will be served on board.

The tickets will be obtainable at the offices of the Chamber of Commerce, in the Arcade Building, as there is every probability that there will be a great rush of citizens to take part in the ceremonies. Secretary Gordon Scott suggests that early reservations be made, as the number of tickets will be strictly limited to the capacity of the Princess Patricia.

As already announced, Mr. Hill plans a public ceremonial here on Labor Day, when the Prince of Wales and Beaver will be on view. It is expected Lieutenant-Governor Port, Premier Oliver and Mayor Port will participate in this ceremonial.

## TWO GOVERNORS TO BE NAMED

Ottawa, Aug. 30.—The death of Lieutenant-Governor Clarke, of Ontario, yesterday created the second vacant Lieutenant-Governorship in Canada. Although Sir James Aikins is still carrying on his term as Lieutenant-Governor of Manitoba, expired some weeks ago and the appointment of his successor is being awaited.

## "QUEEN VICTORIA"

Next Saturday The Times will commence the publication of Lytton Strachey's "Queen Victoria," a work which British writers describe as one of the most striking biographical productions of this generation. Mr. Strachey was already famous in England as the author of "Eminent Victorians" before "Queen Victoria" was written, but according to the literary supplement of The London Times, his latest work in many respects surpasses the other one. The London Letter to The Bookman regards "Queen Victoria" as "the sensation of the season."

## CANON SHEPARD DIED IN LONDON

London, Aug. 30.—(Canadian Press Cable).—Rev. Canon Edgar Shepard, Royal Chaplain at Windsor Castle for many years, died yesterday, aged seventy-six. He was chaplain to Queen Victoria, later to King Edward and Queen Alexandra and to the present Royal Family.

## Canadian Population to Be Known in December

Ottawa, Aug. 30.—(Canadian Press)—The Census Branch announced to-day that figures covering population of another twenty-five towns and cities would be ready for publication toward the end of the week. These will be spread over the entire country.

Populations of the different provinces, which in other words will mean the complete 1921 population of Canada, may not be ready, according to the officials, before December. The officials pointed out that in the case of the census taken last year in the United States it was nine months, and seven days before final totals were announced, so that

if Canadian totals are out by December (less than five months) it will constitute something in the way of a record.

The census figures issued August 5 giving the city of Halifax 70,352, included, it was announced to-day, the suburb of Dartmouth. The population of Halifax proper is 51,474.

Toronto, Aug. 30.—The authorities for seven Toronto wards have now returned their rolls, leaving only one ward to report, and the increase of the District of St. Lawrence is \$1,257,615.

**EARLY ONTARIO****APPOINTMENT**

Lieutenant-Governor to Succeed Late L. Clarke

Toronto, Aug. 29.—Ontario's new Lieutenant-Governor should be named within two or three weeks if custom is followed. The necessity for the signing of Government orders and official documents makes impossible undue delay in appointing a successor to the late Lieutenant-Governor. While, as a result of the death of Lionel Clarke, thousands of unsigned documents bearing his name and insignia will have to be destroyed, it is said at the Parliament Buildings that nothing of great importance will be held up in the two weeks necessary to appoint a successor.

Automatically the commission of Sir William Mulock as Administrator expired with the death of the late Lieutenant-Governor and in the interval before the appointment of a

Documents will have to wait for formal acceptance.

The intelligence of his setter dog saved the French Alpinist Morel from certain death when the climber, descending Volvon's Mountain, 4,375 feet, fell into a precipice, breaking both legs, according to an Associated Press mail dispatch from Geneva. The dog found its way down the precipice to his master, who, unable to move, wrote a message to his wife in Croisette village and tied it to the dog's collar, telling him to go home. Six hours later help arrived and Morel was carried down the mountain to the village, where a doctor was awaiting him. The dog conducted the rescue party up and down the mountain.

**NO PROMISE FOR COAST HIGHWAY**

But Alberta Government Investigates Jasper-Coast Plan

Edmonton, Aug. 30.—While the most thorough investigation, and the most careful consideration will be given by the Provincial Government to the proposed project, Premier Greenfield told a big delegation of boosters for the Jasper-to-the-Coast Highway, who met the Alberta Cabinet yesterday afternoon, that no promise could be given as to how far the Government would eventually go in the matter of providing funds.

Deputy Minister. Edmonton, Aug. 30.—The first departmental change of consequence in the new Provincial Government since the taking of office by the Greenfield Cabinet is announced by Hon. V. W. Smith, Minister of Railways and Telephones, who has selected John Callaghan, of Calgary, as Deputy Minister of the Department. Mr. Callaghan has been actively connected with railway construction in Canada for many years. At one time he was chief engineer of construction of the Pacific and Great Eastern, and recently has been with the Canadian Pacific Railway in Calgary.

**AS CITY OF DEAD**

Asia Minor Town Desolate Since 1919 Massacres

Aidin, Asia Minor, Aug. 30.—One of the saddest and most tragic of all war memorials in the Near East is the ruined city of Aidin, sixty miles southeast of Smyrna, in the great growing district of Asia Minor. It is literally a vast sepulchre of the dead. Here hundreds of innocent Greek and Armenian women, children and priests lie in nameless graves, victims of massacres by the Turks in the summer of 1919. The broken columns of a thousand shattered homes are the mute witnesses of the martyrdom of the population. Although two years have passed since they were sacrificed, no tombstone, no cross, no wreath, marks the place where they fell. Many of the victims were burned to death. Their whitening bones form a part of the crumbling masonry. The silence of the place is oppressive.

In Church. In the little church there are still to be seen on the floor grim reminders of the unfortunate priests who were killed and incinerated before the altar. A few among the more hopeful and courageous of the population have returned to the desolate city and are living in the ruins of their former homes. Through the dark and debris-strewn alleys, sombre women and girls mourning move like spectres. Their faces tell a story of poignant suffering and anguish. Some of them have lost their reason. A group of Greek Government officials from Athens recently visited Aidin.

**20,500,000 IN RUSSIA FACING STARVATION**

Moscow, Aug. 29.—Leo Kamenoff, Soviet relief director, told correspondents to-day that 20,500,000 people in fifteen provinces of Russia are facing starvation. Food resources are about twenty-five per cent. below those of pre-war days, he added. Many of the 7,000,000 persons in distress where crops proved failures and are migrating to Turkestan and Siberia. The Government has stopped by a Government shipment of seed grain and the assurance that more seed will be supplied to insure next year's crop. According to Kamenoff, 3,000,000 persons have seed grain, but not enough grain for eating to last until the next harvest. The people must have help, he said. He said that seed and good medicines were imperative needs. He said Russia could supply rolling stock and carriages, but she would require coal to move grain northward from Novorossisk.

Asked why the Donets basin could not produce coal, he said it could if the workers in the basin were given food. He said that the famine-ridden Donets basin was showing "that massive spirit so characteristic of the Russians." The All-Russian Relief Committee formed recently with Maxim Gorky and representatives of various parties as members has been dissolved, and the members will not go ahead in the interests of Russian famine relief, as had been expected.

**BUILDERS AT WORK IN SAN FRANCISCO**

San Francisco, Aug. 30.—Building activity was resumed in all parts of San Francisco yesterday after having been held up for four months by difficulties over a wage award provided for by a 25 per cent. decrease in wages and the open shop. The workers went back under both the decrease and the open shop, but with the understanding reached in a vote of all the unions that they would recognize neither.

**STRIKE TIES UP****IRISH RAILWAY**

Great Northern Irish Lines Are Idle

Belfast, Aug. 30.—For the first time in its history, the Great Northern Irish Railway was completely tied up to-day by strike of engineers and firemen who quit work at midnight. Station staffs were automatically released because of the walkout. The main lines of this railroad runs between Dublin and Belfast and its branches extend throughout the province of Ulster.

Ulstermen and Sinn Feiners are standing united in the strike, which is a purely industrial dispute and comes as a sequel to the Government turning control of the railroad back into the hands of its owners. There was a strike on this line last year when Sinn Feiners and their sympathizers struck because of the decision of the Government to ship munitions on the road. That time the Ulstermen did not walk out.

**BYNG CANCELLED HIS ENGAGEMENTS**

Toronto, Aug. 30.—Lord Byng and Lady Byng's round of social functions was suddenly wound up yesterday afternoon when the death of Lieutenant Governor Clarke was announced. Just as they were about to leave for the Royal Canadian Yacht Club to attend a garden party, they cancelled all engagements of respect to the late Lieutenant Governor. They will leave for Ottawa after attending the state funeral on Wednesday. Lord Byng unveiled a tablet in memory of the 500 members of the Commercial Travelers' Association who served in the war, some of whom were killed. Addressing the gathering, he said: "I look at all these memorials much in the same way. It is a matter of pride or a matter of sorrow. I agree that it is a matter of pride. What did these boys do? They went out to do the simple and to do the great. They did the greatest thing they could do because they gave their lives for us and for our country, and yet they did the simplest thing because they responded to duty's call."

**PRAIRIE FARMERS THRESHING GRAIN**

Winnipeg, Aug. 30.—Wheat cutting in the three Prairie Provinces is near completion, according to the weekly report of the C. P. R. With the exception of a few districts in the northwestern portion, wheat cutting in the south of the main line of the C. P. R. is from 25 to 60 per cent. completed. Oats are about 40 per cent. cut. Out-turns from threshing machines run from 12 to 18 bushels of wheat per acre, which is more than offset by other districts going as high as 25 bushels. No damage from frost has been reported.

Saskatchewan reports 80 to 100 per cent. of the wheat cut in districts south of the main line of the C. P. R. and oats from 50 to 90 per cent. The northern districts show 45 to 90 per cent. of the wheat cut and 40 to 60 per cent. of the oats. Threshing in the southern districts of the province has commenced. A few points report some damage from hail. Some districts in southern Alberta show wheat cutting completely finished, while other sections report them 70 to 80 per cent. cut. Very little threshing has been done in the north until about September 5. Slight frosts were recorded in some parts of central and northern Alberta, but without damage. Very heavy yields are looked for along the Edmonton, Dunvegan & B. C. Railway. Cutting at the end of last week was fairly general, and no damage has been reported yet.

**OTTAWA SEES WEATHER FREAK**

Ottawa, Aug. 30.—While rain fell in torrents in the lower downtown districts of the Capital yesterday, the western and southern portions of the city were enjoying the splendor of a summer sun and warm weather. The result is that the precipitation was one of the heaviest recent years. Numerous cellars in the lower part of the town were flooded with considerable loss. The street cars and telephone services were not affected by the storm.

**FOUR ARRESTED AFTER FIGHT**

200 Shots Were Exchanged in Regina

Regina, Aug. 30.—After a running gun fight lasting half an hour and extending over five miles through the outskirts of the city, four bandits who had bound and gagged Detective Hays yesterday afternoon were captured on a farm five miles north of the city last night.

During the battle one man was wounded, two automobiles were held up, 200 shots were fired and four men were arrested. The wounded man is Sergeant W. H. Loughheed, of the R. C. M. P. The owners of the automobiles are Sam Clark, farmer, living five miles north of Regina, city, and Mr. and Mrs. C. H. Ridder, this and the men arrested are William Marr, Minnesota; Arthur Woodman, North Dakota; John Lollarine, Minnesota, and Ed. Watson, Vancouver. The fight was a sequel to an incident of the afternoon when Detective Hays, of the city police, was held up in a rooming house by the four men, gagged and bound and four men, gagged and bound and held for five or six minutes until he could raise other inmates of the house.

He had visited the house in search of stolen silk.

Diamond Case. Montreal, Aug. 30.—What is claimed to have been one of the boldest diamond swindles of recent years came to light in court yesterday when Ludwig Quinn was called upon to face charges in connection with the obtaining of two diamonds from local jewelers, one valued at \$1,500 and another valued at \$2,200. Both were obtained by means of accepted cheques drawn on the Bank of Toronto which were taken without question.

So far no evidence has been put forward to indicate that Quinn was the man who obtained the jewels by giving in payment cheques later found to be bogus acceptance stamps, and it is expected this point will be cleared up when the preliminary hearings of the case take place on September 6.

**WEST INDIES WANT CHANGES**

Wider Measure of Representative Government Kingston, Jamaica, Aug. 30.—In view of the agitation for a wider measure of representative government and improvement in the colonies generally, it is learned here that the British Government has delegated the Parliamentary Under-Secretary of State for the Colonies to pay an official visit to the West Indies in December. Preparations are being made to urge upon him that the status of the Government not only be raised, but that a loan of at least \$5,000,000 be arranged to carry out improvements in the island.

**MEXICANS CLEAN UP****BELEM PRISON**

Almost Comfortable Conditions for 1,500 Prisoners

Belem Prison, Mexico, which has been described by guidebooks as a "microscopic spot to be avoided by sightseers," no longer deserves that name. Formerly known as one of the plague spots of Mexico in which were yearly gathered hundreds of thousands of offenders against the law who were herded together in horrible filth, this prison recently was renovated and now provides almost comfortable quarters for the 1,500 prisoners. The prison is well accorded to an Associated Press mail dispatch from Mexico City. Schools for the teaching of manual training and the rudiments of education are now maintained, the 200 women in the prison being divided into five groups for instruction. Such schools are not yet provided for the men but, according to Director Vasmataz, they will be installed within the next few months. Meals are wholesome and sufficient.

Shower Baths. Shower baths have been installed and several large fountains have been placed within the prison. Those who are in the inclination may have a shower bath. There is a large parade ground for both men and women and the rules of discipline are few. Smoking is allowed at all times and every prisoner may receive such additions to his daily bill of fare as his circumstances permit. Special attendants are provided for the small children of women prisoners, of whom there are many; the authorities also providing them with food and a place to sleep. "Death Alley" has been abolished. This was a long corridor through which the condemned were led on their way to execution and in almost sixty years there is no record of one escaping or returning alive. No executions are permitted within the prison.

Belem has been notorious for its unsanitary conditions and to be sentenced to Belem was considered the worst fate imaginable to be meted out to a criminal.

**NEW ELEVATOR AT PRINCE ALBERT**

Prince Albert, Sask., Aug. 30.—Construction will begin here this week of an 18,000-bushel elevator for the Prince Albert Elevator Company, formed here on Friday by Montreal grain interests and Prince Albert business men. It is expected that the elevator will be in operation within seven weeks, so that it will be available for the bigger part of this year's crop, which, according to present indications, will be a heavy one for the district and equal or surpass that of 1915.

**BRITISH WOMEN TO DOMINIONS**

More Women Than Men in Britain; Remedy Suggested

London, Aug. 30.—(Canadian Press Cable)—The growing excess of women over men is shown in the recent census in England and Scotland and has actuated a special correspondent of The Times to revive and discuss the ancient and hoary remedy of emigration of women to relieve the disparity. This writer has discovered, however, that the excess of marriageable men in the overseas Dominions does not lend encouragement to the idea. In Canada, he says, there are only 200,000 excess male eligibles in the marriage market; in Australia 50,000 in New Zealand 12,000, and in South Africa 20,000, or roughly speaking about 300,000 husbands for some millions of English and Scotch lassies who are likely to remain husbandless in the Old Country. The Times does not accept this or advocate it as an argument against the emigration of women, however. It remains that in any case the marriageable opportunities are probably a little greater in the Dominions. Political economy also makes female emigration desirable, for if women continue to crowd the home labor market the wages for females must decrease, the paper says.

Incidentally, the figures of the Scottish census as recently announced show the smallest increase yet recorded.

Scotland. London, Aug. 30.—A preliminary report on the Scottish census just issued shows that the population of Scotland has increased since the last census taken in 1911. The population is given as 4,822,000, including 2,348,000 males and 2,534,000 females, the gross total representing an increase of 121,000 over 1911.

Every Scottish census has shown an increase in population, which is now fully three times higher than that of 1801. The male population has increased 1.7 per cent, and the female 3.3 since the last census. Never previously has there been such an excess of women over men. Lanarkshire is the most populous county, holding nearly one-third of the population. Ten thousand people speak only Gaelic, this figure representing a decline of 8,000. Practically all of these live in Ross, Cromarty, Inverness and Argyll counties. The populations of the principal cities are given as follows: Glasgow, 1,084,000; Edinburgh, 420,000; Dundee, 184,000; Aberdeen, 154,000; Paisley, 84,000; Greenock, 81,000; Motherwell and Wishaw, 80,000; Clydebank, 46,000; Dunfermline, 35,000; Kirkcaldy, 35,000; Hamilton, 35,000; Kilmarnock, 35,000; Ayr, 35,000; Falkirk, 33,000; Perth, 33,000; Airdrie, 25,000; Rutherglen, 24,000; Dumfries, 22,000; Stirling, 21,000.

The people of Canada are insured for over two and a half billion dollars. This sum would provide for 350,000 widows and orphans for twenty years; it would purchase 625,000 homes at \$4,000 each, or it would furnish an education to over a million children.

These figures are evidence of the value placed upon life insurance by the people of Canada, and of what it is doing for the individual and for the nation.

DOMINION

Billie Burke, dainty Paramount star, has triumphed again in her latest picture, "The Education of Elizabeth," which was presented at the Dominion Theatre yesterday. She is seen as a chorus girl, irresistibly fascinating, quaint, chic, rough and ready and charming throughout.

There are numerous laughable sayings of the chorus girl and despite her uncoqueness, one loves her. When her education is in progress, there are scenes of exceptional interest and appeal and one leaves the theatre with the feeling that he has made the acquaintance of a decidedly worth while creature. That this is one of the best pictures starring Billie Burke, seen in many months, is emphatically true. The supporting company headed by Donald Cameron is excellent and the production praiseworthy in every respect.

Mrs. J. Longfield is rendering two new song numbers with great charm and effect.

### PRINCESS

The Mildred Page Players will present an old timer this week, "Old Kentucky," a veritable "Treasure Island" of a play, so full of it of rare humor and exquisite touches of pathos, from start to finish the plot is such as to keep you spellbound. Its unfolding is full of thrilling moments and the climax are all built up artistically and work out with real old time kick and punch. In fact the play of a newer school doesn't seem to have the "go and get there" in them that marks the older play with the unmistakable sign of success.

Miss Page as Madge has another beautiful part which she is sure to give the usual understanding touch which characterizes all her work. Byron Alden will be seen as Joe Lorey, moonshiner and self elected executioner of his father's murderer who escaped years before. James Cootie as the "blue grass" foreigner who comes to the "mountains" in search of a better life.

Miss Wanda Dean will make her first appearance with the company in the role of Barbara, a much spoiled young lady whose "barbed shafts" always seem to miss the mark. Lee Jaxon, Arthur Elton, Miss Lillian and Mr. Thom are all well cast and the singing and dancing of the pickaninies in the race track scene will be particularly amusing.

It will begin Wednesday night, continuing the balance of the week "Old Kentucky."

WIND ON THE STOMACH QUICKLY RELIEVED

It is a good thing to know just what to do when gas belching starts. One sufferer related the following experience: "A few months ago I ate some green vegetables and some fruits that was not quite ripe. It brought on indigestion, hiccoughs, nausea and cramps. I belched gas continually. A neighbor urged me to use 'Nervil' and I took it in hot sweetened water, and got quick relief. I will never again be without this valuable remedy. Nervil is a household necessity. Large 35c. bottles sold everywhere." (Adv.)

### BAND AT BEACON HILL.

The music played by the G. W. V. A. band on Sunday was declared by music lovers at the conclusion of the concert, to be the best ever performed at the park, and Bandmaster Miller and the bandmen listened to many enthusiastic comments.

The overture, "My Wife of Windsor," with its merry passages for clarinet, to the more easy playable numbers, "High Jinks," "Reminiscences of the Plantation," "Voyage in a Troopship," proved great favorites. "Eileen Alannah," solo for cornet and euphonium was repeated, owing to shortage of time. The beautiful Italian value, "Teresa Mio" was not played.

The piece de resistance was "A Voyage in a Troopship," all the incidents and accompaniments of a sea voyage are concentrated in this fantasia, and takes 20 minutes to play. The storm movement is even more thrilling than that in "William Tell."

There was nothing amateurish about the band's call to raise the anchor. By a happy coincidence there was a real live boat among the audience in the person of Warrent Officer Chappell, for thirty years a boatman in H. M. Royal Navy, whose services were secured by Bandmaster Miller. His stentorian command, "All Hands—Up Anchor," reached every part of the park. He also assisted the band considerably in all the vocal choruses. Mr. Chappell served a portion of his time on H. M. S. Crocodile, and is now instructor at the College, Esquimaux.

## TEACHERS' PLACE SPREADING IMPERIAL GOSPEL

Mr. Charlesworth Gives Impressions of Imperial Education Conference

Meeting Will Prove True Criterion of Professional Progress

The importance of the teaching profession in the life of nations, and particularly in the British Empire, was the predominant note throughout the sessions of the Imperial Conference of Education held in Toronto recently, according to Harry Charlesworth, who was one of the Canadian delegates, and who gave a paper before the assembly. Mr. Charlesworth has just returned to Victoria. Teachers were in attendance from England, Wales, Scotland, Africa, India, Australia, New Zealand, Fiji Islands, Hawaii, Central America, West Indies, Newfoundland, and also three representatives from the United States. Such a gathering by meetings and discussions referred to the practice of many opportunities for social intercourse, is bound to accomplish great good in the forging of Empire ties.

The first day of the conference, Mr. Charlesworth says, was taken up chiefly with the discussion of questions relating to Imperial unity and patriotism in their relation to teaching and educational institutions, and the following extracts from the addresses delivered at the opening session will serve to indicate the general trend of the conference. Premier Meighen, in a letter expressing regret at not being able to attend the conference, referred to the practice of exchanging teachers which, he said, would do much to stimulate the minds of the young to a sense of mutual concern and interest among the various nations comprising the British Commonwealth. This, he said, was essential to the united strength and welfare of all.

Premier Drury of Ontario, gave a masterly address in which he said: "Policies and destinies of nations are largely shaped in the schools. The permanent destinies of nations we must depend upon the shaping of the minds of those who will in a few years, compose the population of the country. Next to the motherhood of the country we must put the teachers."

Heaven save us from hidebound teachers! Heaven save us from the fellow who would rather parse a sentence than see a beautiful line of literature," continued Mr. Drury. "The great danger to the teacher is the getting into a rut. What we need is the teacher of high ideals and broad vision, who recognizes the right of human nature to something of its own development." Mr. Drury urged the need for emphasizing the great principles which characterized the British Empire.

Various Opinions.

Mayor Church, in speaking of the importance of the teaching profession, regretted that the people of the country had been more considerate of the builders of railways than they have of the builders of character. He expressed the hope that the Government would give greater financial assistance to the cities for the provision of better salaries for teachers.

Dr. H. R. Grant, Minister of Education, Ontario, said that all people were enthusiastic for increased opportunities for education for improving the mental and physical condition of the people.

Principal Hutton, of Toronto University, dealt with the question of Imperial Unity. He said that, teachers were not that Imperialism that tends to excite. He had come to doubt his dreams of Imperial Unity, but they could work for Imperial unity in the matter of education, which was one of the humblest and the most homely of all professions. He rejoiced in seeing the forty-two Toronto teachers leaving Canada in June last for the Old Country, to take part in the work of the Empire.

Dr. M. J. Reilly, headmaster of Winchester College, England, said that the teacher now lived in a great day, and had every reason to be proud and enthusiastic in his profession.

In Interests of Peace.

Sir Harry R. Reichel, Vice-Chancellor, University of Wales, in dealing with the subject of "Geography and History of the British Empire," approached it from the point of view of the maintenance of peace. The next great war, he said, would wipe out civilization, because of the ever-growing destructive character of war material.

The maintenance in undiminished vigor of the British Empire was essential to world peace, however it was kept. The teaching of history might become the use of timothy between nations, but history could also be used to strengthen the national consciousness without increasing the national enmity. It was the universities, he held, that ultimately determined the character of the education of the country. All the universities, he thought, should have chairs of Imperial and Colonial history. By this means eventually history would be taught properly in elementary schools.

Peter Wright, of Newport, England, a member of the Council of the University of Wales, however, contended that too much stress was being laid on the universities. "We should pay more attention to our elementary schools," he said. "It is not the intellectual people who to-day, are going to ruin, it is the masses. Up to the present we have paid too little attention to the masses, and if we desire to strengthen the consciousness of unity throughout the Empire, we must turn to the elementary schools."

Of particular interest, at the present time was a definition of the British Empire given by Dr. A. Moffatt, of Madras Christian College, during the course of his address. He said: "The British Empire for us in India means a civilized and organized government by which justice is maintained, by which religious and civil liberty is secured, by which the poor are protected from the oppression of the rich, the weak protected from the strong, and the simple protected from the wiles of the intrigue. The Empire means for us a power by which

women and children are protected in India.

"We are proud of the record of the British Empire in India."

Among Foreign Population.

Dr. R. S. Thornton, Minister of Education for Manitoba, gave a short address on "Education and the Nation," outlined in a vivid and masterful way, the wonderful work accomplished by teaching in the schools of Manitoba among the "so-called" foreign population. He gave such current and eloquent testimony of the marvellous work in the building of citizens which results from the efforts of the teachers in these communities, that all who heard him were more than convinced of the tremendous value of such teachers in the life of our nation and fully realized that teachers are in truth nation-builders.

The Papers.

The thirty-two papers delivered at the conference were grouped under five headings:

**UNIVERSITY WOMEN PLAN SERIES OF THURSDAY LECTURES**

Local Club Engages Eminent Speakers; Plan Busy Winter Season

Announcement was made to-day of a course of lectures, to be known as the "Thursday Lectures," to be given under the auspices of the University Women's Club of Victoria.

The course will be opened by the Rev. H. H. Gowen, D.D., of the University of Washington, Seattle, on Thursday, September 22, at 4.30 p.m., speaking on "Dante and To-day." The second lecture will be given on October 20 by Professor G. G. Sedgewick of the University of British Columbia, on the "Centenary of Matthew Arnold." Dr. Maguire, of the First Baptist Church, Vancouver, will give the final lecture on November

For Scholarships.  
Mrs. J. W. de B. Farris, president of the club, when seen by a Times representative to-day, said: "The club is very much pleased that it has been able to secure these eminent men for this course of lectures. The object of the course is not to raise money for the running expenses of the club, but to provide funds for the two scholarships for which the club is responsible. The lecturers, knowing the aim of the club, have very generously consented to give their services without asking any fee. We feel sure the public of Victoria will be equally generous in their support of this undertaking. The tickets are limited to two hundred and the lectures will be held in the private dining room of the Empress Hotel. We hope if sufficient support is given this year to make these 'Thursday Lectures' an annual affair. If it is true, as was stated at a public meeting last Spring, that Victoria spent over half a million dollars on moving pictures and hockey last year, there ought to be no difficulty in securing three hundred dollars for the support of higher education."

In regard to the lecturers themselves, they are so well known here that they need no introduction from me. Dr. Gowen's delightful lectures have long been popular with Victoria audiences, and his wide knowledge of philosophy and literature makes him most delightful on the platform. Dr. Sedgewick's strong originality and brilliant diction have already won him an assured place as a speaker, while Dr. Maguire, who has spoken only once in Victoria, is known over the whole continent as an entertaining and humorous lecturer, with a wealth of anecdotes and illustrations remarkable indeed. We feel confident that these lectures will be very popular.

**Other Plans.**  
"What are the other plans of the club for the year?" Mrs. Farris was asked. "The first meeting of the club will be held on Wednesday afternoon, September 14. It will take the form of a social afternoon, with some necessary business. I am lending my house for the occasion. We find that there are twelve or fifteen women eligible for membership in the club who do not belong to it. The most optimistic name in the whole English language, as well as one of charming spiritual significance, is Hope. Its greatest popularity was naturally won by the Puritans, and for that reason it was scarcely a favorite in England during the days when that rigorous sect was regarded with hatred and contempt. But in this country, after the migration of the Pilgrim Fathers, lovely Hope came into her own. Its significance—that of the abstract quality which "springs eternal in the human breast"—gives the name an exquisite poetical interpretation, as well as a sincere religious personification. We find Hope linked with other two favorite religious names—Faith and Charity—in the beautiful lines of St. Paul penned to the Corinthians: "And now abideth Faith, Hope and Charity, these three." The Scotch were more fond of Hope than the English in early days, and there are innumerable instances of the name in the literature and ballad lore of that nation. It was not sufficiently picturesque to appeal to the colorful Irish ear, so Hope's only other patronage was toward America, where she found a hearty welcome. Ambler is Hope's talismanic gem. It will bring her health and strength and protect her from all contagion. Saturday is her lucky day and 5 her lucky number."

## Carsmen Train For Labor Day Regatta

Helmcken, Mallandine and Flumerfelt Cups Will Be At Stake At Gorge On Monday Afternoon Next, First Regatta of Year to Be Held In City; Many Canoe Events; Good Sport Promised.

Arrangements have been completed by officials of the J. B. A. A. to hold their annual fall regatta at the Gorge on Monday afternoon next, Labor Day. This will be the first regatta the Rays have held at the suburban resort this year, Brentwood having been the scene of the two previous gatherings of carsmen.

Three cups will be at stake at the regatta and the carsmen are in keen training for the races. The Flumerfelt Cup is to be presented to the winners of the four-oared race, the Helmcken Cup will be the prize of the victor in the senior single sculls, while the first man home in the junior single sculls will be rewarded with the Mallandine Cup. These cups have been up for competition for a number of years and always excite much strenuous competition between the club members.

## Crews and Training Hours.

The crews selected and their hours for practice are as follows:  
5 p. m.—Johnson, S.; A. Roberts, S.; Kerr, S.; Watson, S.; Kennedy, S.; Temple, S.; C. Walls, S.; C. W. Pauline, S.  
5.30 p. m.—Raybone, S.; McKenna, S.; O. Walls, S.; Cummins, S.; McLachlan, S.; Treloar, S.; McLachlan, S.; Simpson, S.  
6.00 p. m.—Travis, S.; Walker, S.; Hamilton, S.; Allen, S.; Frost, S.; Fraser, S.; Ryan, S.; Pauline, S.

Many entries have been made for the junior and senior single sculls. There are several promising youngsters ready to scull for the junior title and they will provide a very close and interesting race. The senior singles should also be a very exciting event.

## Dance at Close

The regatta will not be confined to events for carsmen. The programme includes many canoe events for both ladies and men. The Rays have a great many very good paddlers and there is always much spirited competition between them whenever a race is started.

The programme for the regatta is as follows:  
Club Fours (Flumerfelt Cup).  
Junior Singles (Mallandine Cup).  
Senior Singles (Helmcken Cup).  
Single Paddle, men.  
Tandem Canoe, mixed.  
Tandem Canoe, men.  
Upset Canoe Race.  
Centipede Race.  
Four-paddle Canoe Race.  
Heavy Single Skiff Race for ladies men cox.

## RECORD PURSES FOR VANCOUVER RACES

Vancouver, Aug. 28.—Over \$20,000 in purses, the largest amount yet offered for competition in British Columbia, has been guaranteed horsemen competing at the final race meeting of the Vancouver season, which opens at Hastings Park next Wednesday under the auspices of the Westminster Thoroughbred Association. Announcement to this effect was made by Manager Wellman, who stated that no purse under \$400 would be offered. This means that with a seven-race card for as many days, and four stake events, valued on the average of \$900 each, the aggregate amount of prize money surpasses the former mark set at Brighouse Park last week by \$300.

## GIANTS ALMOST ON TOP AT PITTSBURGH

Pirates Lost to Brooklyn on Pitcher Cooper's Wild Heave to First Base

Meusel Helped Giants to Beat Cubs; One Game and Half Between Rivals Now

New York, Aug. 30.—One and a half games margin separates both the Pittsburgh National and Cleveland American teams from their respective New York rivals. While the Indians and Yankees were resting, the Giants crept up a full game on the Pirates.

Nine sacrifice hits were recorded in the Giant-Cup game, the former making five and Chicago four. George Kelly had two sacrifices. Meusel of the Giants made a triple, double and a single, besides a sacrifice and figured prominently in New York's seventh straight victory.

The Boston Nationals suffered their seventh straight defeat and are only a half game ahead of St. Louis.

## Boston Braves Draw Well

Boston, Aug. 30.—The Boston Nationals with double last year's attendance figures at Braves Field by the end of the season. The total will exceed 350,000 persons, club officials estimated to-day on the basis of records to date.

The largest attendance at any one of his year was 35,000, the crowd that witnessed the Pirates and Braves in one contest.

## Hansen Will Twirl For Caps to Night

Tacoma Tigers to Open Final Series of Season; Game Called for 6 o'Clock

Charley Mullen's Tigers will open a five-game series here with the Tacoma Tigers at the Stadium this evening at 6 o'clock. The Tacoma team arrived from the Sound this afternoon and is in fine shape for its contest with the Capitals, who are in fairly good condition, so that the series should be a close one.

Hansen will do the twirling for the Capitals to-night and the Sound. The Caps got inside, but there were a lot of uninvited guests who gathered around the gate. Nearly all the members of the Climbbers Club and a lot of other lads gathered around the residence of the bride, Miss Iris Johnston, 436 Michigan Street, and staged one of the grandest charivari ever heard in James Bay.

The Capitals were not the only ones who attended "Tony" Rego's wedding last night. The Caps got inside, but there were a lot of uninvited guests who gathered around the gate. Nearly all the members of the Climbbers Club and a lot of other lads gathered around the residence of the bride, Miss Iris Johnston, 436 Michigan Street, and staged one of the grandest charivari ever heard in James Bay.

Mr. and Mrs. Rego went on a short motor trip up the island and will be back in time for "Tony" to go behind the plate to-night.

## HOW THE TEAMS STAND

National League.  
New York Aug. 30.—The New York Nationals cut Pittsburgh's lead to one and a half games, winning their seventh successive game yesterday by defeating Chicago, 5 to 7. The contest was a see-saw affair in which the pitching was erratic on both sides.

The New York Giants rose to within 15 points of the National League lead by defeating Chicago, 5 to 7. The Giants' victory, due chiefly to hitting in the pinches, carried them to within a game and a half of Pittsburgh who lost to Brooklyn.

At New York—R. H. E. Chicago..... 7 12 0

## Winnipeg Lady Water Stars On Way to Swim in Victoria

Two of Canada's most prominent lady swimmers are now en route to Victoria to compete in the Canadian swimming championships to be held at the Elks' pool at the Gorge on Saturday afternoon. According to a telegram received to-day by George I. Warren, president of the B. C. branch of the C. A. S. C., Miss Rachael Grimshaw and Miss Hazel Kessler, of Winnipeg, left there this morning for the Capital. They are chaperoned by Mrs. Harrison.

Miss Grimshaw is the present 100-yard lady champion of Canada and Miss Kessler is almost on a par with the title-holder. They are coming to compete against Audrey Griffin, the British Columbia champion; Gracie Wellburn, Kathy Wellburn and several other noted local mermaids.

This gala is attracting more interest than any other aquatic event that has been held on the coast this year. It will be the first time that a lady swimmer has had a chance to swim in the 100 yards and is looked upon as a certainty in the 440 yards.

## "Big" Wilson To Play For U. S. Golf Honors

Oak Bay Player Will Proceed to St. Louis With Team of Northwest Golfers to Compete in Tournament—A. V. Macan Declines

Biggerstaffe Wilson, the well-known Oak Bay golfer, is going to St. Louis to play for the United States amateur golf championship. The tournament is to be staged on September 17-24 at the St. Louis Country Club.

Mr. Wilson will meet such famous golfers as Willie Hunter, the English amateur champion; "Chick" Evans, of Chicago, a former U. S. champion; Max Marston, of Philadelphia; Dick Bockerkamp, of St. Louis; and a host of others. Wilson is a member of the Pacific Northwest Golf Association and is one of the best players in this section of the country. His eye fell upon Mr. Wilson and Mr. Macan, and the two Victorians were honored with places on the team. Mr. Macan, however, was forced to decline, but Mr. Wilson will make the trip.

Mr. Wilson will play in the championship as well as the team match.

The Metropolitan's long string of victories was broken by the Pirates' nine at the Central Park last evening. The chief features of the game were home runs by McGuire and McDiarmid. The final score was 18 to 9. Batteries—McGuire and Coughlin for the Pirates; Darcy, Holman and Fisher, for the Metropolitan.

## YARROWS HAVE TWO HARD GAMES AHEAD

Centrais, Vancouver Champions, Coming Soon to Play For B. C. Title

Royal Arcanums, Seattle Penant-winners, Coming For Exhibition Game Shortly

Amateur ball fans are still due for several treats before the curtain drops for the finish of the season. Yarrows, the local champions, are to play-off for the British Columbia championship with the Centrais, of Vancouver, and as soon as the date can be arranged the Royal Arcanum nine, of Seattle, champions of that city and neighborhood, will come here for a game.

These games will be the tit-bits of the season. Amateur ball has been a great success this year and the games averaged an attendance around 300. It is safe to predict that the largest crowds that have ever attended amateur struggles.

Arrangements will be made within a very few days for the games. The professional ball teams will finish its season here on Saturday of this week, provided the Tacoma Tigers do not wish to stay here for a double-header on Labor Day. As soon as the pros have pulled their stakes the Stadium will be open to the amateurs for any dates that they may arrange.

A Fast Aggregation.  
The Royal Arcanum team will be one of the smartest amateur sides that has ever visited Victoria. The club has made a clean sweep of everything in Seattle, and Yarrows will probably find it a hard nut to crack. However, the local champions are game to climb into the fastest company and a good game should be the result. Darrell Spence, of the local Arcanum Society, playing a four-some, he went around at the Engineers' Country Club here yesterday in an approximate 75 and brought victory to his side by a birdie three on the home green. Members of the club were impressed by the good distance he got from the tee. They say he is a fine mashie player and a good putter.

The Vancouver club, the Centrais, are anxious to play-off with the local title-holders for the B. C. honors, and this series should prove of exceptional interest.

## RELIABLES VICTORS IN CHARITY BATTLE

"Go-Get-ems" Nosed Out by Odd Run in Seven in Fast Ball Game

The charity baseball game last night between two all-star teams picked from the metropolitan area was a win for Vice-President Whitaker's "Old Reliabilities" by a score of 4 to 3 after one of the fastest games played at the Stadium this year, the battle being only an hour and fifteen minutes for a full nine innings. Macfarlane's "Go Get Em's" failed to live up to their title after the third inning, and not only didn't get 'em but didn't come anywhere near getting 'em for the remainder of the game. Ross heaved grand ball after his weakening in the third and had Mack's gang swinging like the old garden gate.

Brynjolfson started for the presenters' crew, but retired at the end of the fifth inning after the Old Reliabilities had gathered four runs from his offerings. McGregor relieved him at this stage and fed the old boys slow balls until they were black in the face, and held them useless for the rest of the game.

## Thrilling Events At V. I. A. A. Gala

Great Variety of Sport at Gorge on Monday Next: Fire Dives From High Tower and Illuminated Mermaids' Race Will Be Feature; Portland Divers May Be Here For Exhibition.

One of the most spectacular galas to be staged in Victoria is slated for Labor Day at the Gorge when the V. I. A. A. will hold its fifth annual water carnival. The programme of varied and novelty events is bound to prove attractive to the many followers of aquatics in this city. The first event will be called at 3 o'clock and at 6 o'clock there will be an adjournment for tea. An hour later the second part of the programme will be commenced.

The officials of the V. I. A. A. are endeavoring to stage several of the features of the recent P. N. A. gala. An effort is being made to have either "Happy" Kuehn, the world's champion diver, or Miss Helen Hicks, the sensational lady diver, come from Portland, Ore., to give diving exhibitions.

Efforts are also being made to have the Winnipeg lady swimmers who are coming out to swim in the Canadian championship gala at the Gorge on Saturday compete in several of the events on the programme, including the 50-yards. This would prove a strong drawing card, as it would be a repetition of the competition to be provided by the Saturday gala.

## Races For Novices.

Races are to be held for boys and girls who have just learned to swim this year. There will be canoe races and spectacular diving from the 100-foot tower and many other novelty events.

The evening part of the programme will be the most interesting. The fire dives which thrilled the spectators at the P. N. A. gala will be repeated. A mermaid race, the newest thing in swimming, is to be introduced here. A number of feminine swimmers will wear specially-made skirts, which will resemble the lower part of a mermaid. They will be unable to use their feet and must make progress by their hands and arms.

The tail of each mermaid will be coated in special chemicals, which will give off a bright light. This race will be staged in the dark and should prove very pretty. All entries for the gala should be made to Billie Davies at 641 Fort Street, or phone 2251.

## MIS CECIL LEITCH LEAVES TO TOUR U.S.

London, Aug. 30.—Miss Cecil Leitch, champion woman golfer of Great Britain and France, and her sister, Miss Edyth Leitch, left Saturday on board the steamer Megantic at Liverpool for an extensive golfing tour of the United States. Thus far the only definite arrangements made are that they will compete in the American National Women's championship tournaments.

## FRANK BULLOCK STAR OLD COUNTRY TURF

Former Australian is Leading Jockey in Blighty This Year; Making Fine Record

London, Aug. 30.—A middle-aged man, whose father was a famous roughrider in Australia and whose son is already a promising jockey, has swept all before him this year on the English race tracks.

He is Frank Bullock, ranked with those of Fred Archer, Tod Sloan, Danny Maher and Frank Wood. In many ways Bullock's career is more unique and varied than these celebrated riders.

Born in Australia, he became an exceptionally good rider. When he came to Europe one of his memorable jobs was to ride horses for the ex-Kaiser.

At that time Reggie Day, an English trainer, had charge of William Hohenkoller's Royal Gradrts stud.

Nine Winners in Four Days.  
But just a few weeks ago Bullock, in four days of racing, rode winners in nine races at the Ascot race meet something none of his predecessors ever did.

Bullock rode two winners the first day, three on each of the second and third, and one on the last.

Shortly afterwards at another English track he rode four winners one day and two the next. In between, track on Sunday, he slipped over to Paris and rode winners in the French Oaks and the French Derby.

Last year he won the Grand Prix de Paris on an English horse. The last compilation made of his work so far showed that out of 215 mounts he rode 55 to victory, plotted 28 to second place and 19 to third place. He is still riding in super-form.

His son, F. L. Bullock, has all the earmarks of becoming as famous in the saddle as his father. With such a teacher, he has a big advantage over other young jockeys.

## BILLIARD STARS RETURN.

Two local billiard stars, J. Murray and J. Hibberden, have just returned from a two weeks' fishing and golfing vacation. Mr. Murray, who is a most ardent angler, reports some splendid catches of bolms; at Campbell River, and Mr. Hibberden says the only game now is golf.

## TWO NAVAL CADETS HOME FROM LONG TOURS

Thomas Bellas, who has been a cadet on the Grace Dollar, returned to the Navy League rooms yesterday to relate his experiences for the last seven and a half months. He has visited many ports in the meantime, including Shanghai, Hongkong, Manila, Singapore, Calcutta, Madras, Colombo, Port Said, Boston, New York, Philadelphia, Savannah, Galveston, Panama and San Francisco.

His chum, Eric Compton, who also was in the Boys' Naval Brigade here, has been journeying on the Canadian Traveller, and has among other places visited Alexandria, Egypt.

Bellas will leave for Japan on Friday, in continuation of his cadetship.

Recover Stolen Car.—Smart work on the part of the local police yesterday recovered the car stolen from T. J. Elliott. The car had been run 50 miles, and was still within the limits of this city when found. The car was picked up early yesterday morning, after having been seen, it is believed, in Saanich prior to that time.

Veterans of France.—A general meeting of the Veterans of France will be held on Thursday evening at 8 o'clock in the club rooms.

Guild of Health.—Rev. T. E. Rowe will lecture on Divine Healing in the Cathedral Schoolroom on Wednesday evening, at 8 o'clock. Mr. Rowe will be in the schoolroom for consultation on Wednesday morning from 10.30 to 12 o'clock.

A Correction.—The name of "Russell Ferguson" was reported in error in yesterday's report of the police court proceedings in connection with a conviction recorded there. The name should have read John Ferguson, who was the individual actually concerned.

A Justification.—In the Police Court today T. W. Duck was fined \$5 for reversing the direction of a car he was driving at other than an intersection of the street. The defendant stated his hat blew off, and his subsequent actions had been entirely automatic.

Sentenced to Three Years.—William Walker, of Sooke, has been sentenced to three years hard labor in the County Court on a charge of breaking and entering homes in Sooke. Stephen Ross, charged with indecent assault, was acquitted. His Honor Judge Lampman heard both cases with J. S. Brandon acting for the Crown.

Cocoa Manufacturer Here.—R. A. Fry, managing director of Fry's Sons, the famous cocoa and chocolate manufacturers of Bristol, England, has arrived in the city in the course of a business and holiday tour of Canada. They are staying at the Empress Hotel. This is Mr. Fry's first trip to the West, and he is much impressed by its beauty and its possibilities.

Chinese Trade Development.—D. V. Sparks, representing the Eastern Section of the Canadian Manufacturers' Association at Shanghai, has informed Commissioner J. G. Macdonald of the Victoria and Island Development Association that he is prepared to represent manufacturers of Western products in Chinese markets. His address is care of the Canadian Trade Commissioner, Shanghai.

Esquimalt Women's Institute.—Under the auspices of the Women's Institute of Esquimalt the annual exhibition of that organization is to be held in the canteen grounds tomorrow afternoon and evening. The entertainment will continue until 10 o'clock in the evening, and all the councillors signify their intention of being present. The Council is granting a half holiday on Wednesday to their employees, so that all may attend.

Find Indian Skeleton.—Mr. Tubbs, janitor of the former Board of Trade Building, while studying rock formation on one of the smaller islands in Esquimalt Harbor over the weekend, found a skull protruding from the ground. Upon investigation by the provincial police the skull was found to be attached to a skeleton, forming a complete remnant of a departed Indian. The place, it was ascertained, was a former Songhees burial ground, and many bones were found, none too deep, in the shifting soil of the island.

G. A. U. V. Elects Officers.—The semi-annual meeting of the Grand Army of United Veterans took place last night, when J. McKenzie was re-elected president by acclamation. Other officials chosen were: Comrade P. Crouch, first vice-president; Comrade M. McGahey, second vice-president; Comrade Stanner, sergeant-at-arms; Comrade G. J. Cook, recording secretary; board of directors, the above officers and Comrades J. Ryan, W. Summers, H. Brown, J. T. Holmes and T. Coomber. Comrade G. J. Cook was appointed to act on the joint committee of service men in connection with the disposition of the German guns held as war trophies in this city. The association, it was stated, on the question of the proposed amalgamation of all ex-service bodies, would await word of the German guns held as war trophies in this city. The association, it was stated, on the question of the proposed amalgamation of all ex-service bodies, would await word of the German guns held as war trophies in this city.

## MUCH WORK AWAITS HARVESTERS SAYS VICTORIA WORKER

### Moose Jaw District Needs Many Men, Is Message From Young Victorians

The City Hall has lately been receiving numerous complaints of the difficulties harvesters from Victoria have been meeting on the prairies in their efforts to secure work. Mayor Porter's office having at times been besieged with women who show letters from their husbands to this effect.

Mayor Porter has consistently maintained that the reason for this inability to secure satisfactory employment rests rather with the individual men and their own work-seeking ambitions rather than with prairie conditions, and his conviction that the city had done all it can reasonably be required to do was strengthened when, just before his departure this morning, he was shown a letter written from Moose Jaw by F. C. Hinkemore, "a fellow at Valor, Sask., of which the following are extracts: 'There is all kinds of work here at present. From 11 a day and board up to 115. I have got a job running a gas engine, the pay is good, about \$10 a day. I'm anxious to get to work so I can get back again; at ten bucks a day I won't be long. I hope the farmer is a decent sort, anyway, I am sure to have a job until I leave.'

### MRS. GEOGHEGAN, WIFE OF PROMINENT DUNCAN RESIDENT, DIED TO-DAY

Mrs. Geoghegan, wife of Dr. C. E. Geoghegan, Deputy Inspector-General of Hospitals and Fleets of the Royal Navy (retired), passed away this morning at the King's Daughters Hospital, Duncan, after an illness of some months. The late Mrs. Geoghegan was fifty-one years of age, and was born at Ottawa, coming to Duncan in 1912 with her husband. She is survived by her husband, one son, Maurice, who recently returned from the Malay States, one daughter, Miss Dorothy Geoghegan, at home and one nephew, Dudley Geoghegan, of Victoria.

### ATTORNEY-GENERAL TAKES HAND IN PROSECUTIONS

(Continued from page 1.)

principles that have stood for generations. There has arisen a means of deterring crime now in this city that counsel and incites people to wrong doing and to break the law.

"This charge is brought under section 25 of the Government Liquor Act which makes an offence to sell liquor and also to purchase it in this manner. If the seller is prosecuted the purchaser must also be prosecuted, I submit. Then what right has the Attorney-General to step in and say these men cannot be prosecuted when these men, we allege counselled and incited John Ferguson to sell them liquor?"

"This prosecution is levelled at the spy system lately in force in Victoria. There is a distinction between legitimate and illegitimate detection of crime. One case occurred in the trial of Amaden versus Rogers, where methods such as these were classed as 'reprehensible' and 'illegitimate' and should be discontinued by the courts."

"We propose to show that it was government liquor that was sold, and that these men incited and counselled to sell liquor illegally. I would ask an adjournment until Friday, and we will communicate with the Attorney-General."

Agrees to Adjournment.

"These men are sworn officers of the city—special police in fact," replied C. L. Harrison, I think the suggestion of my learned friend is a good one, that we should adjourn until Friday." Apart from whether the Attorney-General has any right to interfere or not," announced Magistrate Jay, "I think this matter has gone far enough as it is, and I will allow an opportunity to sit back and take an interest in the trend of events, and it appears to me that this charge is laid by a person who is opposed to the police commission. The two police commissioners are now committed for trial, Charlie Bo is committed for trial and John Ferguson was convicted, though an appeal has been asked."

"A Factional Fight."

"This looks to me like a factional fight between pro and anti-police commissioners, and I don't propose to allow this fight to continue in this court. It is an abuse of this court."

"When it is stated publicly that certain men can commit certain crimes, and the fact is glorified in for their own aggrandisement and self-glorification, it is no time for the Attorney-General to interfere," replied Mr. Higgins. "It is wrong for the Attorney-General to tie your hands, and it would be wrong for your honor to dismiss this charge without hearing the facts of a case. It is a question of the principles of the detection of crime, principles that have stood for generations. Then the Attorney-General steps in and says, 'no, we will prosecute the seller, but not the purchaser.' That is putting a premium on crime. I will ask your honor to adjourn this matter until Friday."

"Well I will adjourn it until Friday, but you have had my opinion," replied Magistrate Jay.

The charge against Special Constable Brown was allowed to take the same course, without further argument.

### CUSTOMS MAKE BIG OPIUM SEIZURE

Inspector Burns Detects False Bottom in Chinaman's Trunk.

Charged with being in possession of first class opium, six pounds valued at \$2,000, of which was found in a false bottom of a basket he was carrying, Quong Yuen to-day delegated his plea to his counsel, R. C. Lowe, who, however, could not plead for the man, and reserved election to the charge. Bail at \$2,000 was fixed and the trial will be called later. William Burns, Inspector of Dominion Customs Service here, made the capture as the man was leaving the Blue Funnel liner Proteus, in-bound from the Orient yesterday. The accused was a resident of Nanaimo, and had been on a visit to Victoria. The case was set for hearing on Friday.

### HERBS USED IN MEDICINES

A Manchester, England, paper urges the renewed cultivation of old fashioned medicinal herbs in English gardens. In the United States they have also gone out of fashion as a feature of the small garden, although they are imported in large quantities from Turkey, India and China, where they are grown purely for commercial purposes, as their medicinal value is recognized by many leading physicians. Tons of medicinal herbs are used annually in the preparation of Lydia E. Pinkham's Vegetable Compound, a most successful medicine for women. It contains no narcotics or harmful drugs, and the occupant afflicted with such ailments should try it.

Household Goods Wanted.—Miss M. Lawson, secretary of the Friendly Help Society, is making an earnest appeal for a cook stove and some dishes for the wife and two children of a returned soldier who are in destitute circumstances. A bed and mattress is also badly needed by another family in very straitened circumstances. Gifts of either of these much needed articles will be gratefully acknowledged at the Friendly Help rooms.

Women of Mooseheart Legion.—A silver tea will be held under the auspices of Victoria Chapter, No. 25, at the home of the Lioness Mrs. Spouse, 529 Pandora Avenue, on Wednesday afternoon from 2 to 5 p. m. The proceeds will go towards the good of the order, and all Legionnaires are requested to attend and bring a friend. Victoria Chapter now has a membership close to the hundred mark, and is progressing splendidly for a new lodge.

### CITY DISBURSEMENTS TO BEAR SIGNATURE OF ALDERMAN ANDROS

With the end of the month synchronizing with the departure of Mayor Porter for the Port Alberni Convention of the Union of Municipalities, the City Hall has been somewhat perturbed as to whether the salary cheques would be issued on time. Yesterday the rumor spread that the Mayor was busy signing cheques, but after a little sleuthing it was found that, whatever else those cheques were, they certainly were not the green slips of such interest to municipal employees.

This morning it was found that the Civic chieftain had departed without performing the necessary function, leaving instructions to Alderman E. B. Andros, as Chairman of the Finance Committee, to officiate in his stead.

Alderman Andros was promptly invited to make his abode at the City Hall for some hours. The reply to the telephone invitation was a hearty and fervent "Oh, you go to!" Once more the risen hopes of early increments went aglimmering, only to rise to an even higher mark when the Alderman appeared in person an hour later in the day. "Will you sign cheques?" he was asked, and in spite of pleadings humorous, flattering, and persistent, the Finance Committee chieftain refused to officiate until Friday.

Whether his attitude will remain as firm as the days pass is doubted in the City Hall, but the hint dropped by the Alderman, that he will be out of town for the next few days, is casting a cloud of gloom.

British-American League.—A meeting of the British-American League will be held in the Chamber of Commerce this evening at 8.30, when an executive will be elected and a constitution adopted.

## Financial News

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, Aug. 30.—Due to pressure of

heavy offerings, prices on both the cash

and future markets suffered a general

break on the local grain market to-day.

Elevator companies are buying more grain

in the country and hedging sales are be-

coming more numerous in the pit. In the

future markets, after all months showed a

decline from yesterday's close, prices con-

tinued to fall, closing figures showing a

drop of 2 1/2 to 4 1/2 lower.

With the exception of a little export

business worked in barley, the future

coarse grains market was feature-

lessly uninteresting, and buyers

were showing an inclination to back away

from the market, which was showing

### ISLAND PRINCESS AT MAPLE BAY

Discovers New Use For Ship's Carpenter

Duncan, Aug. 30.—The Island Princess made her last excursion of the season to Maple Bay on Sunday with about 150 passengers aboard.

The wharf which was built and is owned by the municipality of North Cowichan bore the legend, "This float not to be used by boats exceeding five tons."

Evidently the Princess's officers failed to see this notice, and with all her passengers lined up on expectation of landing on the delightful shores of Maple Bay, manoeuvred gently back and forward and finally tied up. Finding the notice board in the way the ship's carpenter was called to remove it. This done, the passengers landed. No further developments have occurred yet.

A sad accident occurred on Friday last, resulting in the death of Reggie Estridge, of Crofton, formerly of Somers. He was working on a boom of logs with two or three others, breaking a jam, when he slipped and fell and got pinned between the logs. He was taken with all speed to Chemainus Hospital, but died on the way. He leaves a wife (nee Miss Pullette) to whom he was only married about three months.

## Municipal Leaders Firm To Secure Tax Relief

(Times Special Correspondent)

Port Alberni, Aug. 30.—British Columbia municipalities have commenced their supreme effort to get financial assistance from the Provincial Government, through the annual convention of the Union of B. C. Municipalities, which will open here to-morrow. Prominent delegates arriving here are determined to succeed this year in their long fight for municipal financial readjustment, or to acknowledge defeat, and discontinue the battle.

Although the Union convention has not yet begun these facts have become clear from the opinions expressed by delegates from all parts of the Province, and these delegates are expressing themselves in plain terms. Councillor Jack Loutet, the president, said: "I think the Government now realizes the necessity of helping the municipalities. The Union is determined to get financial relief as a result of this convention at the next session of the Legislature."

"I do not see any use spending thousands of dollars at conventions if we are not to get some results," said Mayor E. McHardy, of Nelson, vice-president. "At this convention we are determined to get action which has been too long delayed. Although there is not much more that we can do beyond what we have done already, Early this year we presented definite proposals for financial relief to the Government, who tore them to pieces. I object to them asking for proposals, and then tearing them up. I call it very poor statesmanship of the Government to give up the promised conference between municipalities and representatives of the Government, scheduled for this Fall. If we get round a table and discussed these problems, I anticipate we should be able to reach a settlement."

Mayor J. J. Johnston, of New Westminster, said: "It is absolutely useless to spend money on conventions unless we get results. I propose to tell the convention plainly not to hold any further meetings unless the Government can do something for us. We have fought and fought hard, and get nowhere. We spend our time freely without any results whatever. We go and plead with the Government and are told to go on in that way."

Before the Esquimalt Council in session last night the fact that no further grant had been advanced to the municipality under the Soldiers' Better Housing Scheme was brought up. The matter is a live subject with the Council, which was the first to start building under this scheme in the province. Reeve Lockey explained that in spite of repeated representations to Major Clark in charge of the scheme the municipality was unable to obtain any satisfactory response to their request for more money.

### RE-SURVEY SKELETON RATTLED IN CUPBOARD

The Esquimalt Council still Troubled With Subject

The municipal skeleton of the Esquimalt Council rattled its bones in the corporation cupboard at last night's session of that body, and would not be still until the key was brought, and its frail remnants aired before the meeting. After the Council had completed itself beyond redress to the re-survey of certain undefined areas within its limits by way of special survey under power from the Attorney-General, Councilor Briddle asked to be re-elected as voting in the negative while the re-survey of the Council passed the vote on bloc.

"The consent of the Attorney-General was obtained in an unconstitutional manner," stated Councilor Briddle, "and I understand Councilor Pomeroy, Tribe and myself voted in the negative against the motion to apply for this survey."

Councilor Briddle was told by the Reeve that the measure had passed in the regular manner, with the item that Councilor Mesher, though present did not vote, and that his vote was counted in the affirmative, as it is the custom in such cases. Councilor Briddle reiterated his charge, and even went so far as to tell Councilor Mesher that he had not voted.

A hot debate took place on the position of the municipal rock-crusher, which was referred to as passing as an "election time tidbit," each councillor wishing the services of the crusher to his district. It was decided that the engineer should say where the crusher should be dispatched next.

Esquimalt has under consideration the acquisition of two parks for children, one near Lampson Street school; it was stated, the matter being left in the hands of committees for that purpose. Monthly accounts to a figure of \$4,210 were ordered.

### PAINFUL DIARRHOEA PASSES PROTEST TO VANCOUVER

CRAMPS IN STOMACH

Mr. Fred Funston, Craik, Sask., writes: "A year ago last harvest I was taken with a sudden attack of diarrhoea which completely laid me out, and in a few hours I had to quit work. The cramps in my stomach were dreadful, the beads of perspiration would stand out on my face at times I was in such great distress. At last I got a chance to send to town for a couple of bottles of Dr. Fowler's Extract of Wild Strawberry. I used it according to the way I felt and soon obtained a great change for the better, for which I was very thankful. I don't know what the cause of my sickness was except the extremely hot weather and the active work of stooping the wheat."

"Several of my neighbors were taken the same as myself and had to quit their work until I advised them to use 'Dr. Fowler's' when they soon experienced a great change."

Dr. Fowler's Extract of Wild Strawberry has been on the market for over 75 years and many cheap imitations are being offered to the public.

## NERVES ALL GONE TO PIECES

"Fruit-a-tives" Conquered Nervous Prostration

R. R. No. 4, Gilbert Plains, Man. "In the year 1910, I had Nervous Prostration in its worst form; dropping from 170 to 115 pounds. The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' I began to mend almost at once, and never had such good health as I have enjoyed the past eight years. I am never without 'Fruit-a-tives' in the house." JAS. S. ### TOURIST FIELD IS UNWORKED MINE OF GOLD

Arizona-Mining Magnate Foresees Great Future For Island

"Outside of timber and fisheries, there is no prospective island business that will pay as large returns as the tourist traffic, if it is properly developed," said Norman Carmichael, manager of the Arizona Copper Company of Clifton, Arizona, before his departure yesterday.

Mr. Carmichael is a brother of Alfred Carmichael, of the Franco-Canadian company, and has been spending a month on Vancouver Island to refresh pleasant memories of 1890, when he made this city his home.

Delighted with the progress made in the past few years, Mr. Carmichael declared that the combination of climate, scenery and excellent roads made Vancouver Island vastly preferable, even to California, as a resort for holiday-makers.

"If there were a gold mine underlying the city of Victoria, you would soon enough find the money necessary to develop it and get profitable returns. You have something equal to the greatest of gold mines, with the feature that it is not to be exhausted by working," he said.

"I feel confident that not ten persons in every hundred living in the United States have ever heard of Victoria, and if you make a strong enough effort you can get a share of all the wealth of the continent contributed towards your prosperity," he said.

Round the Island Road.

Mr. Carmichael foresees the ultimate construction of a round-the-island highway, well served with hostleries, as one of the attractions to tourists. While admitting that the cost would be high, he pointed to the fact that in Arizona this year, one county alone had voted for hard-paving of 300 miles of roads at a cost above \$5,000,000, and some sections of state roads had been built at a cost of \$100,000 a mile, yet had been found to pay.

The destruction of standing timber along such scenic highways as the Cameron Lake road was depreciated by Mr. Carmichael as extremely shortsighted and unnecessary. He maintained the Province should repurchase the lands in question, and be affected by the forestry modes have timber removed as it arrives at the height of maturity, with a careful culling of trees past their prime.

"If the Government will allow stumpage, slash and burned areas to be created close to the highways is suicidal," he said.

### 625,000 BOTTLES SOLD IN NEW YORK

Biggest Thing of Kind Ever Seen in that State, Says Big Wholesaler

The fact that 625,000 bottles of Tanlac have been sold in the state of New York since its introduction there less than one year ago, is a big business item that will attract unusual attention throughout the entire East, for nothing like it has ever happened before. It breaks all records.

Mr. George B. Evans, manager of the Gibsons-Snow Company, the well-known wholesale druggists, with branches in Albany, Buffalo, Rochester and Syracuse, recently announced that the preparation was now selling in the trade territories alone at the phenomenal rate of approximately 500,000 bottles a year.

"If the present rate continues," said Mr. Evans, "this state alone will probably require considerably over 750,000 bottles a year. This is a tremendous figure, but I am really conservative in making this statement."

Tanlac is sold in Victoria by Duncan E. Campbell and all other druggists everywhere. (Adv.)

### CHAMBER OF COMMERCE WILL GO TO BLAINE

On September 8, the members of the Chamber of Commerce will board the Princess Patricia in a body at 10:30 o'clock, city time, and proceed to the International Peace Conference at Blaine. It was stated at the directors' luncheon to-day.

The C. C. R. has met the requirements of the Chamber with every thoroughly enjoyable, it was promised. The boat will return about 9:30 the same evening. A brief luncheon is to be served on board. President J. H. Beatty appealed to the directors to see that as many as can possibly make the excursion will go so as the incident is one that will reflect credit on the participants in this occasion. A portion of the peace ceremony will

### LIFE GUARDS AT WAIKIKI ARE NOT TO BE TEACHERS

Honolulu, T. H., Aug. 29.—Life savers at Waikiki Beach should save the lives of persons in danger of drowning and should not spend their time teaching feminine swimmers how to ride the surf boards, the board of harbor commissioners has ruled here, having appointed three new life savers.

"Life saving at the beach means being in attendance at the beach at regular hours with a watchful eye on the bathers there," said Board Chairman Lyman Bigelow.
